## Child Safety Compliance Statement:

Our Child Safe Policy was written to demonstrate the strong commitment of our clinic to child safety and establishing and maintaining child safe and child friendly environments.

All children who come to our clinic have a right to feel and be safe. We are committed to the safety and well-being of all children and young people accessing our services and this will always be our first priority.

We aim to create a child safe and child friendly environment where all children are respected, valued and encouraged.

Our child safety compliance statement has been developed in collaboration with our employees, the children who use our services and their parents.

A complete copy of the Wakefield Sports Clinic Child Safety Policy can be made available upon request.
